

Your Solarspot Five Star Guarantee.

The **Solarspot Five Star Guarantee** is an exclusive warranty on all our services and products offering comprehensive protection of your solar energy investment. This guarantee covers our workmanship, products and services and is our commitment to delivering five star service on each and every installation. Our **Five Star Solarspot Guarantee** is our promise of Quality, Integrity and Accountability for our valued Solarspot clients.

We guarantee the successful installation and operation of your solar energy system, at completion of the installation, or labour costs will be fully refunded AND any issues will be rectified **FREE OF CHARGE**.

Upon completion of the installation, we guarantee the clean-up of your site, for all the work that is completed by Solarspot.

We guarantee that the installation will commence at the agreed time or reasonable notice as to any changes. If you aren't notified you prior to the start time the first hour of labour will be **FREE**.

We aim to complete all installations to schedule (weather permitting). Should there be a delay for which Solarspot is responsible, which affects the completion date, you will go to the movies on us, with a double pass to GOLD CLASS.

We guarantee the quality of our workmanship with a Five Year Guarantee on all installations. If any product fails *due to our workmanship* we will repair and replace the product for **FREE**.

Solarspot is committed to providing the highest standard of service to our clients. Our staff are informed, highly trained and skilled professionals and our installation team are Clean Energy Council Accredited Electricians. We pride ourselves on our helpful "can do" attitude and honouring our values of Quality, Integrity and Accountability.

We are a successful company because of the quality of our workmanship and our high level of professionalism. We are confident that you will be more than satisfied with your Solarspot experience, backed by our exclusive **Solarspot Five Star Guarantee**.
